

TRAFFIC DIVERSION NOTIFICATION

In view of the unprecedented heavy rains and the resultant damage to the NH 44 (Nagpur Highway), traffic diversions have been put in place to ensure public safety and smooth vehicular movement.

Diversion Plan for Heavy Vehicles :

- Heavy vehicles moving from Hyderabad towards Adilabad via NH44 (Nagpur Highway) will be diverted at Medchal Checkpost (Diversion Point).
- Towards Siddipet via Karimnagar Highway as described below :

Medchal Checkpost → Siddipet → Karimnagar → Jagityal → Korutla → Metpally
→ Armoor → Adilabad

Diversion Plan for Light Vehicles :

- Light vehicles moving from Hyderabad towards Adilabad via NH44 (Nagpur Highway) will be diverted at Toopran (Diversion Point).
- Towards Siddipet via Karimnagar Highway as described below :

Medchal → Toopran → Siddipet → Karimnagar → Jagityal → Korutla → Metpally
→ Armoor → Adilabad

Affected Stretch:

- The highway stretch between Kamareddy – Dichpally – Armoor

Public Advisory:

- Commuters are requested to plan their travel accordingly and cooperate with police at diversion points.
- Heavy vehicles and long-distance travellers are advised to strictly follow the diversion routes to avoid congestion.
- Traffic Police and Highway Patrol teams will be available on-ground to assist with route guidance.

Your cooperation is solicited to ensure safety and smooth flow of traffic.
